than a year ago, the Vermont Asademy Years, Mountain club has shown a vigorous growth. Both teachers and students have been admitted to its membership. Because of the fact that no member may hold office until he has gained at least seven degrees, there has been no election as yet, but the club has been under the

politicians?

The Bathtub Follows the Flag. Cold water is a symbol of heroics

t represents both the moral and the physical courage of men, and what is more, it is a form of heroism especially modern, like trust-busting. So the ad miral's order that every man on the battleship must bathe each morning be fore gun practice, is to be viewed with tions. The crusaders, accrding to Mark quick sals. Twain, who knew them personally. found it such a nuisance to get in and 1880 (we have the word of an eminen) scholar and grammarian for it) a cold water shower was the badge of fanaticism even in such an enilghtened community as that across the Charles. To-day, the merest of commonplaces, the march of civilization is noted in terms of the tub. Not that this view should

is a mighty tradition. Pirates were of the last century, the emblem of law and order. One recognized an old navy pers, relative to the history of a bell man among a crew by his willingness in a Morrisville church, recalled to Mrs. to acrub, "swab," to be technical. So
